Internationally traveled Pastor

John Ayabina caught the vision for this life changing conference from the book of Luke 5:5. "Listen people of God, the systems of this world are failing, now only the Word of God will carry us, not skill or experience, but a personal word from God comes to elevate and catapult us into our personal destiny. The men and women who come to us from their different countries have already gone with grace and done it. What did they do? They subdued the enemy and have taken their territories for the Lord. Now the time has come, to take the city of Las Vegas for Christ. We will deposit the grace of God by strengthening the hands of Pastors

and leaders. It is definitely a kingdom thing. It is well."

This powerful conference has been structured to exceed your imagination. It is guaranteed to empower you for maximum impact in unveiling your success while releasing you into your prophetic destiny. Peter said "At thy word, I will..." the word has been spoken, are you willing to "Catch the Word?" Come experience ministry on the cutting edge in a city where grace abounds!

Get ready Las Vegas... *catch this!!!*
